

New JT 9700 & LF 9700 series

Premium Polymeric Films

Life's too short to limit your choices

Long-term outdoor decoration needs to deliver a big impact - on day one, and also over time.

The JT 9700 series provides exceptional durability, along with especially striking high-resolution print results for large and demanding 2D applications.

This range is a winning choice for high profile applications and is compatible with most printing technologies.

Advantages

- Very high flexibility, for outstanding 2D conformability
- Available in several finishes: white gloss, white matt & clear gloss films
- Excellent printing results on all platforms
- Wide choice of adhesive technology: grey and transparent, removable, permanent & Bubble-free
- Stable PE liner, for optimum printing with eco-solvent inks
- Long-term 7-year outdoor durability
- Fully compatible with LF 9700 laminating films (also suitable for UV inks)
- One of the widest polymeric ranges on the market

JT 9700 Premium Polymeric Films

Applications

- Specially developed for long-term applications
- Indoor and outdoor use on flat and curved surfaces
- Displays, shop windows and signage
- Point of Sale
- Bus, lorry and vehicle decoration
